ORDER INFORMATION
Hard Optical Phantom

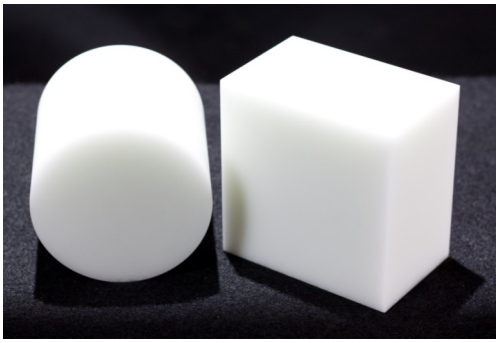
NAME:

TELEPHONE:

E-MAIL:

COMPANY NAME:

ADDRESS:



The following information will be used to provide you with a quotation.

Standard shape and size { Rectangular: 11 cm x11 cm x7 cm
Cylindrical: height 10 cm, diameter 10 cm

HARD OPTICAL PHANTOM OPTIONS

Qty: _____ OP-☐B☐-☐-☐☐☐-☐.☐☐-☐☐

HOMOGENEOUS or MULTILAYER*:
H / M

WITH INCLUSIONS* or WITHOUT:
I / 0

Geometry:
Rectangular or Cylindrical or Other* : **R /C /0**

SHAPE: _____ SIZE (cm): _____

λ REFERENCE
450-850 nm

μA AT REFERENCE λ:
0.05-1 cm^{-1} (1)

μS' AT REFERENCE λ:
5-25 cm^{-1} (2)

CHARACTERIZATION

Characterization at reference wavelenght is included.
Extra wavelenght characterization: _____

Please send this order information form along with your drawing, if necessary, for a quotation.

Guarantee: As part of our fabrication process, we verify the optical properties of the phantoms against the design values specified. We guarantee a precision between ±10% and ±30%, depending on the combined absorption and scattering properties selected. Values in the available ranges extremes (1,2) limit our characterization process. ** DRAWING REQUIRED*
